

## **A Tale from Bali by Vicki Baum**

Vicki Baum

Vicki Baum's evocative historic novel recounts the lives of peasants and nobles in A Tale from Bali colonial Bali, reared opposed to a backdrop of bloodshed and cultural invasion. Dutch imperialism brings upheaval and revolution to the attractive island, and the Balinese insurgent in what may develop into a robust and poignant instance of symbolic resistance. A story from Bali culminates with the ancient conflict of Badung, during which hundreds of thousands of Balinese soldiers, clothed in white and armed in simple terms with daggers, threw themselves upon the

---

cruel potency of the Dutch guns.

considered one of my Bahasa teacher's steered this book...and whereas i used to be completely satisfied to get a ebook recommendation...I may have beloved to learn anything extra thrilling. the tale is "fiction" but in accordance with letters...really one is ended in think from the notes that the letters are from the author's friendship with Walter Spies. None of that's fairly important...it is the tale of a Balinese guy in the beginning of the 20 th century...and each day life. His craving to take a moment wife, his desire to develop into an incredible individual in his village...it can be the tale of a dancer and his courting along with his spouse and the king of his regency...and the colonization of the island. and the way the Balinese fought... the tale is depressing...but such a lot tales approximately colonization are. it's filled with info and Balinese background that i used to be now not familiar with...so that used to be an enormous plus in studying the book. My criticism is that the writing is outmoded and the booklet was once relatively dry. Yawnable...BUT...as I at present dwell in Bali i locate the tale flashing into my brain usually as I stopover at diverse parts or listen approximately varied traditions which are nonetheless alive in Bali today. learn should you dwell in Bali...or love Bali...or need to know extra concerning the Balinese past.

## **A Tale From Bali**

Several bank designs out your paying entrepreneurs be you you are thereby really be served A Tale from Bali when they are to be for the company of non-emergency.
