ACROSS SPOON RIVER by Edgar Lee Masters

Edgar Lee Masters

This intimate and provocative autobiography, first released in 1936, finds the innermost strategies of an outstanding American poet. Edgar Lee Masters was once a transitional determine in American literature with one foot planted within the 19th century and the opposite firmly put on the trail of what we now contemplate because the smooth period.

Breve nota esplicativa da leggersi prima della recensione: lo non amo los angeles poesia. Ho letto quel tanto ACROSS SPOON RIVER che l. a. scuola e l'università hanno comandato, nonché qualche testo selezionato in keeping with mio piacere e cultura personale. Tra questi, mi è capitata tra le mani l'Antologia di Spoon River. Tutto ciò, in line with anticiparvi che non sono un'esperta di poesia, dimentico sempre i nomi di tutte le determine retoriche, non m'importa molto del ritmo né della ACROSS SPOON RIVER rima: le poesie che mi catturano il cuore, le amo in step with le immagini che evocano in me. [La collina Dove sono Elmer, Herman, Bert, Tom e Charley, il debole di volontà, il fortebraccio, il clown, il bevitore, l'attaccabrighe? Tutti, tutti ora dormono sulla collina. Uno consunto dalla febbre, uno si è bruciato nella miniera, uno fu assassinato in una rissa, uno è morto in galera, uno è caduto da un ponte lavorando duro in step with moglie e figli - tutti, tutti ora dormono, dormono, dormono sulla collina. Dove sono Ella, Kate, Mag, Lizzie e Edith, los angeles cuore tenero, l'anima semplice, los angeles chiassosa, l'orgogliosa, los angeles felice? - tutte, tutte ora dormono sulla collina. Una è morta di un parto clandestino, una di un amore contrastato, una tra le mani di un brutto in un bordello, una di orgoglio ferito, all'inseguimento del desiderio del cuore, una dopo una vita passata lontano ACROSS SPOON RIVER tra Londra e Parigi fu riportata al suo piccolo spazio vicino a Ella e a Kate e a magazine - tutte, tutte ora dormono, dormono, dormono sulla collina. Dove sono zio Isaac e zia Emily, e il vecchio Towny Kincaid e Sevigne Houghton, e il maggiore Walker che aveva potuto parlare con gli uomini venerabili della rivoluzione? - tutti, tutti ora dormono sulla collina. Hanno portato loro figli morti in guerra, e figlie schiantate dalla vita, e gli orfani, piangendo - tutti, tutti ora dormono, dormono, dormono sulla collina. Dov'è il vecchio ACROSS SPOON RIVER Fiddler Jones violinista che ha eseguito l. a. vita in step with tutti i suoi novant'anni, sfidando neve e pioggia a petto nudo, bevendo, ribellandosi, che non gli importava nulla di una moglie né dei parenti, né dei soldi, né dell'amore, né del cielo? Eccolo qui! Che farfuglia del pesce fritto di un tempo, delle corse dei cavalli di tanti anni fa a Clary's Grove, di quello che una volta Abe Lincoln disse a Springfield.] Sì, sento che a voi questi motivi riporteranno in mente los angeles triste e cantilenante melodia di un noto e amatissimo poeta genovese. « Avrò avuto diciott'anni quando ho letto Spoon River. Mi period piaciuto, forse perché in quei personaggi trovavo qualcosa di me. Nel disco si parla di vizi e virtù: è chiaro che los angeles virtù mi interessa di meno, perché non va migliorata. Invece il vizio lo si può migliorare: solo così un discorso può essere produttivo. » E' all'Antologia di Edgar Lee Masters, infatti, cui Fabrizio de Andrè si ispirò consistent with il suo quinto album, Non al denaro, non all'amore né al cielo. Ma ahimè non siamo qui according to parlare di musica, nonostante le poesie di questa raccolta lo siano. E dunque ricominciamo. L'Antologia di Spoon River è una raccolta di epitaffi. Immaginate di essere circondati da spettri che, ordinatamente, vi raccontano los angeles loro storia: ogni poesia porta l. a. voce di un abitante del piccolo paesino di Spoon

River, dal cimitero in collina sotto cui è sepolto. Poesia dopo poesia, tassello dopo tassello, ricostruiamo los angeles storia del paese, ascoltando le testimonianze di chi ACROSS SPOON RIVER è morto, magari sepolto sotto una lapide che proclama il falso, e può finalmente raccontare l. a. verità: i morti non hanno niente da perdere. E sono tantissimi i temi e i sentimenti veicolati dai defunti abitanti, dalla lussuria all'invidia, dal senso di colpa alla rabbia, dall'amore alla serenità, dall'incredulità al senso di vuoto; il messaggio di fondo, tuttavia, è ben chiaro: ricchi o poveri, felici o infelici, amati o scherniti, l. a. morte accomuna tutti i cittadini di Spoon River, come ben mostra l. a. poesia di Chase Henry l'ubriaccone, divertito dal fatto di essere stato sepolto ACROSS SPOON RIVER a fianco del banchiere. Tra procuratori legali seppelliti insieme all'amato cane, poetesse gobbe stuprate e morte according to aborto, poeti e bottai, mogli uccise, ragazzini morti d'incidente, mariti l. a. cui vita è stata succhiata pian piano dalle mogli, i sentimentali troveranno anche un certo giudice nano, un certo matto che volle imparare a memoria l'Enciclopedia Britannica, un certo blasfemo picchiato a morte according to aver insultato Dio, un certo malato di cuore los angeles cui anima lo abbandonò restando sulle labbra di una donna, un certo ottico, un certo chimico che non riuscì mai a comprendere come gli uomini si combinassero attraverso l'amore, un certo medico che fu costretto a vendere il proprio mestiere, e soprattutto un certo Suonatore Jones che offrì los angeles faccia al vento, los angeles gola al vino e mai un pensiero, non al denaro, non all'amore, né al cielo. Poesie, alcune lunghe, altre brevissime, semplici e toccanti. according to chi ha voglia di trascorrere qualche momento malinconico, senza soffermarsi a riflettere, ma semplicemente apprezzando l. a. musicalità delle parole e delle storie raccontate. in ACROSS SPOON RIVER keeping with chi ha voglia di un mosaico dai colori incredibilmente tristi e realistici.
