

Alix T22 - La Chute D'icare (Alix #22)

Rafael Morales

À l'a. pointe de l'île d'Icarios, une statue ailée semble s'élancer au-devant de los angeles mer. C'est celle d'Icare, determine de proue de los angeles mythologie. los angeles légende veut qu'il se soit envolé depuis ce Alix T22 - La Chute D'icare (Alix #22) rocher vers le Péloponnèse. Mais Alix et son compère Enak, à peine débarqués dans l'île, n'ont guère le loisir de s'interroger sur los angeles half de vérité de Alix T22 - La Chute D'icare (Alix #22) cette légende :

d'étranges événements attirent leur attention. Des navires se livrent à de curieuses manœuvres et semblent mijoter un mauvais coup. Toujours sur ses gardes, Alix veille au grain. Les faits lui donneront raison : une horde de pirates Alix T22 - La Chute D'icare (Alix #22) embarqués à bord des navires s'apprête à assiéger los angeles cité. Nos héros ont de quoi s'inquiéter. véhicule ils voient arriver à l. a. tête des pirates une de leurs vieilles connaissances : l'infâme Arbacès ! Pourtant, tout le monde le croyait mort... start alors un bras de fer sans merci entre Alix et son ennemi juré, bien décidé à triompher cette fois-ci. Jacques Martin signe ici le vingt-deuxième volet des aventures de son Alix T22 - La Chute D'icare (Alix #22) héros fétiche. Alix est toujours flanqué Alix T22 - La Chute D'icare (Alix #22) de son fidèle Enak, qui n'a pas son pareil pour accumuler les bourdes, ralentir l'action et, ainsi, donner l'occasion au héros de montrer toute l'étendue de son savoir-faire... Confronté à Arbacès, Alix devra déployer des trésors de ruse et d'imagination. Il devra aussi résister aux assauts fougueux de los angeles jeune et jolie Julia, l. a. fille du gouverneur de l'île, qui ne cache pas son attirance pour lui. Au grand dam d'Enak, évidemment, quelque peu gagné par los angeles jalousie... l. a. page 34 de l'album laisse d'ailleurs planer le doute : embarqués à bord d'un navire qui les éloigne d'Icarios – avant de les voir revenir en triomphateurs –, Alix et Julia laissent s'interroger le lecteur quant à los angeles suite donnée aux manœuvres d'approche de los angeles jeune femme... l. a. collaboration entre Jacques Martin et son successeur, Rafaël Moralès, se poursuit, sans aucune ambiguïté : appelé à tenir seul les rênes de l. a. série le jour où Martin se retirera, Moralès prend une half croissante dans los angeles réalisation des albums. Et ce n'est qu'un début : prévoyant, Jacques Martin a d'ores et déjà achevé plusieurs scénarios des aventures d'Alix. Lequel n'est donc pas prêt de voir s'arrêter ses aventures, pour los angeles plus grande joie de ses (nombreux) admirateurs. Et de ceux d'Enak, bien sûr... --Gilbert Jacques

Un album un peu plus convainquant, qui allie beauté graphique (une constante de l. a. série) à péripéties en tout genre. On reste loin des débuts, mais c'est tout de même agréable. Petit reproche Alix T22 - La Chute D'icare (Alix #22) : pourquoi avoir ressorti un vieil ennemi, façon Olrik pour Blake et Mortimer ? On ne fait plus ça depuis des années, il aurait fallu renouveler un peu...
