Children of the Dream: Our Own Stories of Growing Up Black in America

Laurel Holliday

Martin Luther King Jr dreamed of an afternoon whilst black kids weren't judged by way of the color in their skin, yet by means of the content material in their character. during this book, Laurel Holliday Children of the Dream: Our Own Stories of Growing Up Black in America explores how a ways society has come as she offers 38 African americans who proportion their experiences.

I loved this book. It used to be relocating at times, occasionally painful, and infrequently giggle out loud funny. supplies a great vast variety of stories of individuals 'growing up black' in the US post-MLK era.
