

## Complete Do-it-yourself Manual by Reader's Digest Association

Reader's Digest Association

Over ninety five homemade tasks for each ability level. step by step illustrations with distinct captions clarify the best way to construct each one project, plus a 35-page gallery of full-color pictures of all of the tasks designed for this book.

This publication presents attainable suggestions to many Complete Do-it-yourself Manual difficulties round the home, or in my case, the farm. I benefit from the transparent illustrations with labels that aid me comprehend the principals and helped me converse my wishes on the store. a few of the recommendations and fabrics mentioned are hopelessly superseded and infrequently now not even available, although i have frequently realized that the "new and improved" tools within the sleek remodeling shops are usually simply costlier and never relatively any better. The pricipals illustrated are sound. For example, after the mason I employed left me with leaky chimney flashing, I got rid of the "new and improved" mess he

---

made and tailored the flashing method steered during this book. utilizing in the community on hand lead rather than ridiculously dear copper as offered during this publication labored fine, and because I understood the vital of the procedure the matter was once solved, a lot to the masons embarrassment!

## Complete Do It Yourself Manual
