## De overgave by Arthur Japin

Arthur Japin

Een Texaanse pioniersfamilie wordt overvallen door een groep Comanche-indianen. De gevolgen zijn hartverscheurend. Veertig jaar later krijgt de hoogbejaarde Granny, wier familie voor haar ogen werd gedood of ontvoerd, bezoek van Quanah, de aanvoerder van de door haar zo gehate Comanche. Hij is op weg om zich over te geven en zijn verslagen volk voor altijd in het reservaat te leiden. Hiermee wordt, na bijna vierhonderd jaar, de onderwerping van de oorspronkelijke bewoners van De overgave Amerika een feit. De overgave vertelt het aangrijpende en onvoorstelbare leven van een vrouw die in het gevecht om haar kinderen De overgave en kleinkinderen uiteindelijk het machtigste wapen moet leren hanteren: vergeving.

(english extra down)Ik las dit boek voor de Off the Shelf problem 2012. Het stond sinds oktober 2008 op de plank. Tijd dus om voor het eerst opengeslagen te worden! Niet om doorheen te komen de eerste pagina's. Alles stond me tegen aan dat eerste stuk: de grote hoeveelheid mensen die werden opgevoerd met te 'gewone' namen om meteen te onthouden (ik kwam er pas aan het einde achter dat er achterin het boek een stamboom zit) en vooral ook waar het verhaal over zou gaan: ik heb niets met Indianen en Texanen. Toch heb ik doorgelezen en blij toe! used to be het toch het verhaal? used to be het de schrijfstijl van Arthur Japin, used to be het de gedachten in mijn achterhoofd over allemaal andere dingen? Ik weet het niet, maar de afgelopen drie dagen heb ik ieder vrij second benut om zo snel als mogelijk het boek uit te lezen. 'De overgave' is een verhaal verteld vanuit het perspectief van Granny Parker. Granny is een Kolonist. Als Kolonist heeft zij haar leven gewijd aan het toe-eigenen van eigen grond De overgave en verkondigen van de boodschap van God. Zij stichten een nederzetting op een vlakte, daar waar ook 'de wilden' wonen. Aanvankelijk leven ze vreemdzaam samen. Er is geen contact, maar aanwezigheid wordt gedoogd. De Texanen (Europeanen), Mexicanen en verschillende indianenstammen komen in clash over hetzelfde stuk grond. Uiteindelijk resulteert dit in een zeer gewelddadige overval op de nederzetting van de Parkers door een Indianenstam. Het second van de overval is een keerpunt in het De overgave boek. Alles ervoor lijkt inleidend, daarna begint het echte verhaal over familiebanden, verlies en diepgewortelde haat. Japin schrijft het verhaal nuchter, rauw. Het pace is lekker, het maakt dat je blijft doorlezen. Het boek zet mij aan het denken. Hoeveel wijzer zijn wij geworden sinds 1835? De kolonisten van toen zagen de indianen als 'wilden', omdat zij een niet te begrijpen taal spraken, veel communiceerden in gebaren en 'vieze' buffelhuiden als kleding gebruikte. De kleindochters van Granny die 'terugkomen van de wilden' laten zien in het verhaal, De overgave dat de nuance ook anders kan zijn. De 'wilden' hebben een enorme band met de natuur, wat ze ook veel kennis oplevert in tijden van ziekten. Granny leert dat wel, maar erkent de positiviteit ervan niet. Gaat het in onze tijd zo anders met discriminatie? Is niet nog steeds het onbekende eng en dus niet goed? En de kolonisten. Zijn die zoveel anders dan kolonisten vandaag de dag? Nee, helaas niet. Het boek gaat over vergeven. Kun je jezelf overgeven aan je leven aan de situatie waarin je terecht bent gekomen en jezelf vergeven in de keuzes die je gemaakt hebt? Of blijf je hangen in haat, waar je uiteindelijk vooral ook zelf aan kapot gaat? Wat is vergeven voor jou? ENGLISH I learn this ebook for the Off the Shelf problem 2012. considering the fact De overgave that October 2008 it stood at the shelf. the 1st pages have been not easy to get

---

through. the massive variety of individuals with 'regular' names that have been effortless to fail to remember (At the tip i spotted the genealogy on the finish of the book), and particularly the subject: I typically don't love analyzing approximately Indians and Texans. In the end, i am chuffed that I saved on reading! Was it the story? used to be it the fashion of writing of Arthur Japin, or was once it the innovations in my brain approximately comparable subjects, now not pointed out within the publication itself? i don't know, however the final 3 days, I used each loose second to complete the book. "Someone found" is a narrative informed from the point of view of Granny Parker. Granny is a Settler. Settlers have dedicated their lives to decide on the land that they think they personal and proclaim the message of God. They based a cost on a bit of land, the place the 'savages' live on the related time. Initially, they reside jointly peacefully. there's no contact, yet presence is tolerated. The Texans (Europeans), a number of Indian tribes and the Mexicans get right into a clash approximately who owns this land. eventually this ends up in a really violent assault at the cost of the Parkers by way of an Indian tribe. The time of the theft was once a turning aspect within the De overgave book. every thing prior to this aspect looks introductory, after the assault starts the true tale approximately kin ties, losses and deep-seated hatred. Japin writes the tale right down to earth, raw. The velocity is nice, it makes you proceed reading. The publication set me thinking. How a lot wiser did we turn into on account that 1835? The settlers of that point observed the Indians as "savages" simply because they spoke an incomprehensible language, use gestures to speak and use 'dirty' buffalo skins as their clothing. The De overgave granddaughters from Granny, who lived with the 'savages' for a few time, exhibits that it's not as black and white because the settlers are thinking. The "savages" have a big dating with nature. This dating brings them loads of wisdom in occasions of illness. Granny learns approximately it, yet does not realize the confident of it. Is it so diverse in our time with discrimination? is not nonetheless "the unknown" frightening and accordingly now not good? And what in regards to the settlers? Are they any various than settlers today? No, regrettably not. The publication is ready forgiveness. are you able to hand over your self on your existence to the placement you may have arrived at and forgive your self for the alternatives you made? Or are you caught in hatred, that may deliver you down on the end? What is forgiveness for you?
