Karen A. Bale

A missed BRIDE...Lovely Lisa Anderson understood her husband's restlessness purely too well. the instant she observed the wide-spread wanderlust in his blue eyes, she advised him to head forward and depart their cozy California ranch and back merely whilst he was once ready. yet whereas her husband used to be away, the auburn-haired attractiveness came upon it demanding to disclaim her personal passionate nature, in particular whilst Cruz, the good-looking desperado, commandeered her ranch. And whilst he captured her and took her to his mountain hideaway, the place she was once compelled at gunpoint to faux to be his bride, her protests have been merely half-hearted, for she stumbled on herself at the verge of surrendering to the ecstasy of her captor's virile embrace. A PASSIONATE PLUNDER...Though he'd been a bandit considering he was once a youngster, Cruz may thief yet he may by no means kill. His gang had ordered him to slay Lisa's menfolk and take command of the ranch, yet as soon as he came upon the svelte senorita all by Desperado Dream way of herself, the rugged loner could not convey himself to hurt a hair on her gorgeous head. Instead, he charmed her, complimented her...and then started to caress her. instead of play the hit guy for his gang of bandits, Cruz vowed that he could spirit the stunning girl away, seize her middle in addition to her tantalizing body, Desperado Dream and turn into her sunlight hours protector, her nighttime lover, her DESPERADO DREAM.
