# **Drive, They Said: Poems Drive, They Said: Poems about Americans and Their Cars about Americans and Their Cars**

Kurt Brown

What icon higher defines America's experiences, dreams, Drive, They Said: Poems about Americans and Their Cars foibles, escapes, and obsessions than the automobile? And what Drive, They Said: Poems about Americans and Their Cars adventure extra completely captures the yank spirit - relocating on, westering, wandering - than driving? during this anthology, editor Kurt Brown collects the easiest of the innumerable poems that experience made riding their logo in the course of the century often called the car Age. Poems from approximately 100 modern Drive, They Said: Poems about Americans and Their Cars writers are accrued during this homage to America's obsession with the automobile, together with Elizabeth Bishop, Robert Bly, Rosellen Brown, Hayden Carruth, Rita Dove, pleasure Harjo, and Thomas McGrath. The anthology's sections outline using as "the rolling ahead towards the future" for either males and women; the meditative features of using into the self; the event of preventing through the facet of the line as we rush wildly around the map; the crossing of destinies; the allegories of existence itself.

i like poems of the road, so I totally enjoyed this collection! F'instance:Truck Stop: Minnesota, via Stephen DunnSo this can be Nebraska, by means of Ted KooserDriving Montana, by way of Richard HugoScenic Route, by means of Lisel Mueller From Lisel Mueller,...When we Drive, They Said: Poems about Americans and Their Cars come this manner againthe bushes may have long past wild,the homes collapsed, no longer even worththe human act of breaking in.Fields could have taken over.What we are going to recognizeis the wind, a similar fierce wind,which has no history.
