# Ending Poverty: Changing Behavior, Guaranteeing Income, and Transforming Government

Joseph V. Kennedy

Poverty is a constant challenge in America, and the present panoply of presidency courses designed to relieve it aren't working. *Ending Poverty* offers a brand new method of executive policy, person who is able to casting off preventable poverty in the foreseeable future. This e-book proposes an aggressive, conservative, governmental reform plan that's institutionalized via an source of revenue agreement among *Ending Poverty: Changing Behavior, Guaranteeing Income, and Transforming Government* the person and the govt. and should warrantly enough source of revenue for all who participate. Based on 3 major principles—government coverage is more advantageous while it channels marketplace forces than while it overrides them, participants must have extra keep watch over over the assets that executive spends on their behalf, and entry to an honest lifestyles freed from poverty can be noticeable as a conditional correct in American society—the publication units out reform directions for education, wellbeing and fitness care, housing, retirement savings, and taxation.
