In Vino by Jiří Slíva

Jiří Slíva

After centuries of writing approximately wine, In Vino a few of it from personages as eminent as Ovid and Goethe, it needs to appear not often attainable to put in writing whatever new and insightful approximately wine. Over the centuries, even the main smart sentences have changed into clichés, nevertheless there's something of a ritual within the planting, pressing, barreling, and bottling of wine, after which in starting the In Vino bottle, smelling, tasting, and commenting. The shapes of the grapes, barrels, bottles, labels, glasses, decanters and the corkscrew have

all supplied inspiration, with many pictorial and contextual associations.

In Vino
