Joe is determined to save the big old horse...

Joe & the Gladiator by Catherine Cookson

Catherine Cookson

What with hassle at domestic among his mom and dad and bother with a bully on the Tyneside shipyard the place he works, existence is lovely bleak for fifteen-year-old Joe Darling. Then an not likely friendship with an previous rag-and-bone man, Mr. Prodhurst, leads him into the best problem of his life. For Mr. Prodhurst bequeaths his peculiar-looking horse, The Gladiator, to Joe -- with simply enough funds for a number of weeks feed! How can Joe in all probability Joe & the Gladiator take care of the pony properly? he's decided to try. Otherwise, The Gladiator must be placed down...A annoying and soaking up story of 1 boy's braveness and backbone to prevail opposed to all of the odds.

I learn all of Catherine Cookson's books a few years in the past and loved them immensley. i latterly re-read them all and locate that on a re-evaluation i discovered all of them so very predictable, and used to be quite disappointed. even though i am convinced that it really is my tastes that experience replaced no longer the calibre of her tale telling.
