Just a Touch of Frost by Kiernan Kelly

Kiernan Kelly

only a contact of Frost through Kiernan Kelly Jack is uninterested in his life. it is chilly and wintry and simply undeniable boring. He has a plan to get his father's attention, expectantly to place him out of his misery. until eventually he meets Matt, that is. Matt can see him, Matt can contact him with out freezing to death. He comes to a decision Just a Touch of Frost to maintain Matt forever, going to invite his kin for help. issues pass awry quickly, with Matt disappearing, and Jack has to attract his jolly brother Nick for help. Can he rescue Matt prior to it really is too late? With a solid of characters that diversity from Jack Frost to Saint Nick and every little thing in between, this Christmas tale is one you will not are looking to miss!

Jack Frost (twin brother of Kris Kringle, son of Zeus and one of many Fates) has been wandering the earth by myself for millennia after being solid out of Olympus whilst he used to be falsely accused via Hades of constructing a play for his wife. He's made up our minds the single approach to finish his loneliness is to begin an ice-age Just a Touch of Frost in the world and get Zeus to note him and strike him dead. yet he meets Matt who cannot merely see him regardless of his invisibility spell yet contact him, most folks freeze. whilst Jack takes to the air to get a few Just a Touch of Frost ambrosia so he can hold Matthew permanently, Hades kidnaps Matt simply because he wishes Jack to be depressing too. whilst confronted with this Just a Touch of Frost Jack has something to claim "Let's simply say that Hell is ready to freeze over." This used Just a Touch of Frost to be a lovely tale with plenty of Kiernan's humour. i must admit I snickered in addition to Hades here: "Where's Matt?" he requested via gritted teeth. "If you've harmed one hair on his... " "Head? Chest? Legs? Ass? Back? Be specific, Jack... the boy has extra hair than an angora sweater." Hades chuckled nastily. So it's a enjoyable little read. It says it's a Christmas tale and yes, Kris Kringle is Jack's brother and it ends with one Christmas scene however the tale doesn't revolve round Christmas at all.
