UNFULFILLED PROMISE

Martha Brill Olcott

Kazakhstan: Unfulfilled Promise by Martha Brill Olcott

Martha Brill Olcott

Kazakhstan's oil and gasoline reserves are one of the greatest within the world. On the outset of independence 10 years ago, Kazakhstan's leaders promised that the country's wealthy traditional assets may quickly carry fiscal prosperity, and it seemed that democracy was once starting to take carry during this newly self-sufficient state. A decade later, monetary reform is mired in common corruption. A regime that flirted with democracy is now laying the basis for family-based, authoritarian rule. The 1st thorough exam of the advance of this ethnically different and strategically important nation, *Kazakhstan: Unfulfilled Promise* is a beneficial source for policymakers, scholars, and scholars fascinated by the method of transition from communism to self-sustaining statehood within the former Soviet Union.

A stunning finished define of Kazakhstan's first ten years of independence from the Soviet Union and its customers for the long run at that time. It truly is a bit outdated (as this yr Kazakhstan will rejoice two decades of independence), yet unfortunately no longer all that much. Whereas a couple of issues are different: economically the rustic is in greater form than it was once in 2002, its oil is extra developed, and Russia is not any longer in as a lot a multitude because it used to be within the first decade after the autumn of the USSR. Nevertheless, the entire difficulties Olcott identifies (corruption, loss of democracy, the query of succession, ethnic/class/clan divisions, etc) are all nonetheless greatly *Kazakhstan: Unfulfilled Promise* part of smooth Kazakhstan.

Kazakhstan Unfulfilled Promise
