## SPEECH OF THE PACIFIC RAILWAY

### Delivered at the National Railway Convention

Mr. Hascall's speech was a most interesting one. He spoke of the great importance of the Pacific Railway and the need for a more efficient system. He discussed the various routes and the challenges faced by the industry. He also mentioned the need for government support and the importance of public opinion. His speech was well received and sparked a lively discussion. The convention was held in a grand hall and was attended by many leading figures in the industry. The speakers were given a warm welcome and their words were met with great interest. The convention was a success and provided a valuable opportunity for the industry to come together and discuss the future of the Pacific Railway.
