Made right into a vintage film, this is often approximately Marcelino, an orphan who grows up in a monastery. whilst he comes to a decision to provide a statue of Jesus a bit of his small day-by-day meal of bread, the statue accepts the supply and rewards him multifold.

"Marcelino pan y vino" es un Marcelino Pan Y Vino libro para niños que ha estado en mi casa por casi 30 años. No sé por qué nunca lo había leído. Quizá porque mi mamá me contaba l. a. historia cuando period chica y en una de esas en mi mente terminé creyendo que fui yo quien lo leyó. Se trata de l. a. historia de un niño huérfano que es criado por unos generosos frailes franciscanos en España. En el convento (y siendo aún un pequeño niño) Marcelino conoció a Jesús (que estaba en su cruz), a quien le curó sus heridas y Marcelino Pan Y Vino dio comida, especialmente pan y vino (ñam). Fue imposible no soltar mis lagrimitas con el siguiente diálogo: [SPOILER]- "¿Sabes quién soy?", le preguntaba el Crucificado.- "Sí, eres Dios. - "Has sido un buen muchacho y yo estoy deseando darte como premio lo que tú más quieras", dijo Jesús.- "Sólo quiero ver a mi madre y también a los angeles tuya después". Marcelino Pan Y Vino (Sniff!!!)- "¿Quieres verla ahora?"- "Sí, sí, ahora".- "Tendrás que dormir"...Doble sniff.?
