Vincent Rolland sangat marah saat mengetahui putranya, Paul, diam-diam telah membeli cincin pertunangan yang nyaris menguras seluruh tabungan yang ia sediakan sebagai hadiah kelulusan Paul dan Monique---kedua anak kembarnya, yang bersekolah di Paris. Vincent yakin wanita yang akan dinikahi Paul mata duitan dan Mempelai Sang Jutawan Perancis (The Frenchman's Bride) bertekad menyingkirkan wanita itu dari kehidupan putranya. Tetapi, usahanya itu ditentang keras Paul, yang begitu putus asa hingga sengaja menabrakkan diri di depan sebuah truk yang melaju. Meskipun nyawanya bisa Mempelai Sang Jutawan Perancis (The Frenchman's Bride) diselamatkan, Paul mengalami trauma kejiwaan yang sulit disembuhkan. Satu-satunya orang yang bisa membantu memulihkan Paul, dan pada akhirnya mengubah hidup Vincent, adalah wanita yang dicintai Paul, Hallie Linn, yang ternyata seorang... biarawati.

i do not often provide a plot summary, however the blurb at the e-book is admittedly no longer informative, and intensely little of the publication is mirrored in it, so right here goes: Hallie is a 26-year-old lay nun in Paris, weeks clear of taking her vows. Her younger French friends, Paul and Monique, who're 18-year-old-twins, throw her a shock birthday party, within which Paul finds he is in love with her, and proposes. She attempts to show him down gently, yet in the course of the process, Paul's father intervenes angrily. He thinks Hallie is identical type of exploitative schemer that the twins' mom was. Paul freaks out, and is injured operating into the road. while the relatives takes Paul domestic to their chateau, Hallie comes as well, hoping to assist the family members mend emotionally. in this visit, Hallie and Vincent strengthen emotions for every other, yet struggle it, because of numerous complicating factors, similar to Paul and her vocation. This booklet was once pleasant, in that for the main part, characters have been normally kind. there has been not anything steamier than a few kissing (not that i actually item to the steamy stuff, yet occasionally a very tame romance is good too). The spiritual point was once a novelty. What stored it from a better score was once the truth that for me, the narrative and discussion have been continually type of artificial. there has been by no means a second while I misplaced the experience of being instructed a narrative and bought sucked in - it usually felt like characters and never people.
