Oh, What You Said!: A Journal for Recording the Surprising Things Children Say

Gillian Stead

"Your quotable kid." Kids quite do say the darnedest things. A few "bons mots" or adorable words spoken via children are remembered and handed on, to the satisfaction of family and associates -- and to the youngsters themselves after they are older. Sadly, every one of these shock utterances are fast forgotten, misplaced within the day-by-day household chaos. Even

worse, over the years they're attributed to a sibling. When a daycare-age daughter says to a Oh, What You Said!: A Journal for Recording the Surprising Things Children Say playmate, "I love you, Joshua, and Oh, What You Said!: A Journal for Recording the Surprising Things Children Say i am donning big-girl underpants," it really is worthy writing that down in a book, right? How about, "I are looking to be a veterinarian or struggle evil aliens"? This memento album, with its energetic and colourful design, is simply where to list such hilarious comments, unforeseen turns of phrase, bafflingly insightful feedback and smooth admissions in order that they stay a part of family members heritage forever. Oh, What You Said! turns into an exceptional memento for either dad or mum and child, and a superb reward for any kin with younger children.
