Robinson Crusoe by Daniel Defoe

Daniel Defoe

Robinson Crusoe, set ashore on an island after a negative hurricane at sea, is pressured to Robinson Crusoe make do with just a knife, a few tobacco, and a pipe. He learns tips to construct a canoe, make bread, and undergo unending solitude. That is, until, twenty-four years later, while he confronts one other human being.

August 1651 Dear Diary, Woo hoo! Run away to sea at last! ma and pa did not want me to head yet honestly, what is the worst which could happen? to date i am loving lifestyles at the ocean wave and feature simply been just a little sea sick. besides it truly is Bye bye Hull, hi Honolulu! Yours, Robinson
January 1653 Dear Diary, Sorry it has been so long. there has been a minor incident with a shipwreck and simply whilst i would controlled to Robinson Crusoe discover passage on one other boat a few pirates became up and that i ended up as a slave. I needed to do a great deal of paintings for this Moorish man and whereas it used to be all Robinson Crusoe great and exotic, it isn't great being stripped of your whole civil liberties. besides i have simply escaped with my blood brother Xury and we are heading out to sea in an effort to see if we will flag down an even bigger boat, er sorry, ship. Yours, Robinson
March 1654 Dear Diary, Just arrived in Brazil - wowee it truly is sizzling here. a lot warmer than hull at any rate. i am redder than a snapper on stick and am having a little hassle discovering my feet. there is a few kind of carnival on and i have Robinson Crusoe noticeable a tremendous hill which might like great with a massive statue of Jesus on it. i have met a few great blokes at the boat they usually acknowledged they would aid me make my fortune. somebody is predicting that Brazil nuts often is the subsequent significant factor come Christmas subsequent yr so probably i'm going to supply go. Yours, Robinson
June 1660 Dear Diary, Well it has been it slow and much has happened. I received myself ready up with a pleasant plantation and loved the great lifestyles for your time right here yet I omit the salty tang of the ocean air, the creak of the sails and the mild rocking of the boat so i have determined to sink my cash into slavery and am going to place to sea once I can. i have realised i am not one for a landlubbers life. Yours, Robinson
November 1661 Dear Diary, Well i'm actually scuppered. My slaving enterprise did not pass too well. wager I must have considered my very own time as a slave with that Moorish man ahead of I set out to be able to cash Robinson Crusoe in on different peoples distress yet hey, each person else is doing it or even Bristol are becoming in at the exchange now through all accounts. besides that is all by way of the by means of now. We headed for Africa yet a satan of typhoon got here and dragged the send and all of the males on right down to Davy Jones. i believe i am the single survivor and the ocean has spit me up in this depressing sliver of land with basically the garments on my back. a number of animals survived too. i have known as the puppy Defoe and the cats are known as quick and Behn. For now I simply puppy them but when i will not locate any nutrition then Defoe goes to make a tidy stir fry. Am off to establish camp now so will write upon my return. Yours, Robinson
January 1662 Dear Diary, I've settled in and created a particularly minimalist base camp. it really is taken loads of ingenuity to make every little thing I need. Wreckage from the send and flotsam and jetsam have washed ashore and supplied me with a few uncooked fabrics like sails and timber, bits of rope and metal. it isn't precisely the Radisson Blue yet i am fairly happy with my little house. The cats and rats are

multiplying particularly ridiculously - I shudder to imagine what it really is doing to the ecosystem. I kill and devour the goats and birds yet they're getting clever to my methods now. I have stored one of many birds as a puppy and referred to as him poultry brian. I am having to move more and more afield for food... the opposite month I fell right into a ravine and broke a limb... I presumed for convinced I used to be a goner however the Lord has been sort to me considering that I arrived here. I am not as a rule one for solitude however the peace and quiet has been educational. I assume I have turn into a section introspective yet I haven't got a lot time to mope as staying alive takes up such a lot of my days. Yours, Robinson August 1665 Dear Diary, Visitors! want I would baked something! seems they're cannibals although so I suppose great scones and a cup of sincere to goodness tea bark most likely isn't really their thing. used to be tempted to smite them for being heathenish devils yet I am taking a look lovely heathenish myself nowadays and beggars cannot be choosers over corporation at a time like this. one in all them selected to stick behind. cannot comprehend a bloody factor approximately him and he isn't one for chatter. I have referred to as him Friday and he is submit no objections so far. Am watching for passing some time with my new friend Yours, Robinson March 1672 Dear Diary, Seven years seeing that I final wrote - good you've gotten knocked me over with Robinson Crusoe a parrots feather while I realised! Friday and I've develop into company friends. nonetheless no longer loads of chatter yet then a guy is happy of companionship with out all of Robinson Crusoe the extra twittering. he is bought a little bit a grip on my lingo now even though and has proven an curiosity within the methods of our Lord. I instructed him approximately my great statue idea. He laughed. Yours, Robinson April 1685 Dear Diary, Recently another cannibals got here to the island. They have been making plans to hot-pot anyone yet we quickly positioned pay that idea. there has been a little bit a to-do and we have newly kept captives on our hands. The island is beginning to believe particularly crowded. one in every of them is a Spaniard who says his kingdom males are close to via and will keep us, the opposite bloke was once none except my guy Friday's father. the 2 of them are off again to the mainland to rustle up a rescue party. I retain puzzling over bacon butties. Yours, Robinson December 1686 Dear Diary, Today used to be my final day Robinson Crusoe at the island. Felt a section unhappy to claim bye bye. I have grown keen on all its nooks and crannies now, and even though admittedly, I'd provide my eye the Robinson Crusoe teeth for a bacon sandwich and a pleasant cup of tea I believe that by no means back shall I adventure the resplendent solitude which I skilled at the island. have no idea if I'm going to ever get used to napping in a mattress and never a hammock either. I am deliberating writing approximately my studies though. wonder whether this is often one of these factor that individuals want to recognize about? Friday has agreed to return with me that is great yet I am not yes what he will ponder Hull, in the end it really is no paradise island. Yours, Robinson
