Safe in Heaven Dead by Samuel Ligon

Samuel Ligon

"Robert Elgin has looked at of Safe in Heaven Dead his life, rendered himself irrelevant, and develop into invisible. After stumbling upon a mystery slush fund his political bosses were skimming off the public, Elgin takes the cash and runs..." "Runs from the corruption of computer politics. Runs from the corrupting of his daughter, molested via a twelve-year-old neighbor. Runs from his wife's obsession with grief counselors, rape specialists, being kept through Jesus, and placing the twelve-year-old at the back of bars. Runs to New York, the place he meets Carla, a doctoral scholar at Safe in Heaven Dead Columbia, who, enmeshed in her personal international of corruption, can also be able to turn into invisible, able to run." "They hit the road, forgetting themselves, yet again domestic in Michigan, the place every thing has fallen apart, Elgin's little ones needs to ask yourself what has develop into in their father. in fact he cannot simply go away them there. in fact he cannot simply run away. yet he does not know the way to return either. And he has to." secure in Heaven useless unearths an international of individuals suffering to do what is correct while every thing turns out wrong, an international of individuals resisting Safe in Heaven Dead give up to the corruption that surrounds them, and a world, too, which, within the face of obvious hopelessness, by some means breeds hope.

we discover out within the first web page of this compelling novel that our protagonist, Robert Elgin, goes to die. however the energy of Ligon's writing is that he makes us are looking to learn on even with understanding the ending. His unconventional timeline mix with fallacious yet attention-grabbing characters to carry Safe in Heaven Dead the reader along, albeit to a couple lovely darkish places. it really is half political mystery and half kin drama, however the intersect in all of the complex methods tales do in actual life. this can be a finely-wrought novel packed with ethical gray areas, disintegrating families, and complicated characters.
