The Hanging Tree: Execution and the English People 1770-1868

V.A.C. Gatrell

striking humans for small crimes in addition to grave, the Bloody Penal Code was once at its so much lively among 1770 and 1830. a few 7,000 women and men have been completed on public scaffolds then, watched via crowds of thousands. placing was once limited to murderers thereafter, yet those have been nonetheless killed in public until eventually 1868. truly the gallows loomed over a lot of social lifestyles during this period. yet how did those that watched, learn about, or ordered those strangulations suppose concerning the terror and anguish inflicted within the law's name? what sort of justice was once delivered, and the way did it change? This publication is the 1st to discover what a variety of humans felt approximately those ceremonies (rather than what a number of recognized males suggestion and wrote approximately them). A heritage of mentalities, emotions, and attitudes instead of of regulations and ideas, it analyses The Hanging Tree: Execution and the English People 1770-1868 responses to the scaffold in any respect social levels: one of the crowds which collected to observe executions; between 'polite' commentators from Boswell and Byron directly to Fry, Thackeray, and Dickens; and one of the judges, domestic secretary, and monarch The Hanging Tree: Execution and the English People 1770-1868 who determined who should still grasp and who can be reprieved. Drawing on letters, diaries, ballads, broadsides, and images, in addition to on poignant appeals for mercy which historians formerly have slightly explored, the ebook surveys altering attitudes to loss of life and suffering, 'sensibility' and 'sympathy', and demonstrates that the lengthy retreat from public striking owed much less to the expansion of a humane sensibility than to the advance of recent tools of punishment and legislation enforcement, and to well mannered classes' deepening squeamishness and worry of the scaffold crowd. This gripping research is vital analyzing for a person drawn to the strategies which have 'civilized' our social life. tough many traditional understandings of the period, V. A. C. Gatrell units new agendas for all scholars of eighteenth- and nineteenth-century tradition and society, whereas reflecting uncompromisingly at the origins and bounds of our glossy atti

accomplished and interesting, showing copious study and scholarship. however the writing is dreadfully overblown throughout. it isn't even a tutorial style, simply over the top; and it spoils what used to be differently a desirable account.

The Hanging Tree Execution And The English People 1770 1868
