

THE LOST CAUSE

A FACSIMILE OF THE 1866 EDITION OF
THE STANDARD SOUTHERN HISTORY
OF THE WAR OF THE CONFEDERATES

E. A. POLLARD

The Lost Cause (The Standard Southern History of the War of the Confederates)

E.A. Pollard

This facsimile of the 1866 variation of the normal southern heritage of the Confederacy includes profiles of twenty-four leaders and the traditionally fascinating, good written account of the South's cause.

i'm approximately comprehensive with this. It has, frankly, been a struggle. Pollard's kind is overly polemic, to assert the least. humans of the North are 'silly', 'vulgar' and 'coarse' to say quite a few of his favourite adjectives. he's a irrationally partisan supporter of Joseph Johnson; who could have concept to interpret his retreat from Chattanooga to Atlanta, and next retirement to the works of Atlanta, as having brilliantly positioned Sherman precisely the place he sought after him? He indicates each painful racial perspective you may imagine, and more. So why i'm I studying it (thank heaven, approximately done)? simply because here's The Lost Cause (The Standard Southern History of the War of the Confederates) a modern view of The Lost Cause (The Standard Southern History of the War of the Confederates) the battle from the wasting side, and in its personal polemical way, a clue to how the myths of the South obtained their start. should you knew not anything of the Civil battle and its history, this booklet might simply be tedious (it is huge). yet The Lost Cause (The Standard Southern History of the War of the Confederates) having learn broadly at the topic, you could variety during the distortions and flat out falsehoods to work out the tip of 4 years of bloody clash during the eyes of a Richmond journalist, keen and ready to do something yet be objective. Worth examining while you're deeply drawn to the Civil battle as noticeable The Lost Cause (The Standard Southern History of the War of the Confederates) in the course of the eyes of an angry, sour partisan within the aftermath of a destroyed dream.

The Lost Cause The Standard Southern History Of The War Of The Confederates
