

The Patricidal Bedside Companion by K.S. Haddock

K.S. Haddock

residing at domestic and jobless after college, Riley O'Donnough hatches a homicide plot opposed to his father, yet he does not foresee falling in love with Tara, a Nietzsche-quoting goddess. whilst his hate for his father and his love for Tara collide, Riley loses his bearings within the unfair blur of suburban the US within the 1990s.

Hunter S Thompson enthusiasts will love this book. It starts with Riley O'Donnough's frantic force during the desolate tract whilst his existence falls aside after he meets the lady of his dreams, who seems to be insane. Cinema paced with powerful characters and improved prose. i feel it really is out of print now, yet worth the hunt. i discovered my reproduction in a used book place in Berkeley.
