The Point of Fracture by Frank Turner Hollon

Frank Turner Hollon

A stricken woman, bent on revenge, implicates her husband, his family, and a Southern neighborhood in an unsolvable murder. With its fast prose and sensible insight, the purpose of Fracture is either a gripping page-turner or a few excellent crime and a poignant portrait of the human psyche.

This The Point of Fracture was once a The Point of Fracture weird yet exciting homicide secret set in Fairhope, Alabama. The most personality Michael is stricken by his personal inertia till his spouse alterations every thing for him and his family. The quick chapters learn the same as police reports, and the whole plot lends credence to the potential for The Point of Fracture being convicted for a homicide you did not commit.
