

The Very The Very Ugly Bug Ugly Bug by Liz Pichon

Liz Pichon

There as soon as used to be a really grotesque bug, with noticed legs, googly eyes and a terrible furry back. She wonders why her associates have lovely small eyes, glossy eco-friendly

backs, or great fluttery The Very Ugly Bug wings. The grotesque trojan horse idea that if she seemed like her friends, then she will be extra beautiful. So she made herself a disguise. yet her new gown made her even tastier trying to the birds! whilst a chook swoops right down to gobble up the disguised grotesque bug, anything unusual happens... the massive scare made the very grotesque malicious program even uglier! So grotesque in fact, that the fowl used to be scared away. The gruesome malicious program learns that simply being herself is the easiest defense. Liz Pichon's witty textual content The Very Ugly Bug and colourful paintings spotlight The Very Ugly Bug this tale approximately self-acceptance.

This publication used to be so lovely and endeared itself to me from the 1st page. The very grotesque malicious program admires the entire different insects and the explanations of why they're made the way in which they're with tiny eyes against her tremendous The Very Ugly Bug googly eyes, their tender backs against her furry again and their wings to fly into the sky. She comes to a decision that she desires to have skills like them to prevent the birds as well, as she can not seem to work out what makes her so special. Her skills are quickly published notwithstanding whilst a chook flies The Very Ugly Bug in for a delectable lunch. yum yum! This booklet is full of humorous daring photographs within the brightest eye catching colours. the youngsters in my classification loved this ebook and I've needed to promise that we The Very Ugly Bug are going to learn it back tomorrow. :0)I additionally enjoyed the delicate message of ways everyone seems to be varied and has features that lead them to special.

The Very Ugly Bug
