Michael Miley represents a vintage case of pathological bibliophilia. in contrast to my very own really benign neurotic affliction, Michael's borders on psychosis. whereas i'm prone to head on a stroll and go back with a backpack jam-packed with used books received at thrift shops and backyard sales, Michael will stroll into a Barnes & Noble and use a Thrice-Greatest Hermes; Studies in Hellenistic Theosophy and Gnosis bank card to shop for each e-book which moves his overheated fancy. As a consequence, his library seems to be prettier than mine, his books tending to be a lot newer, unmarked and with jackets. Long, lengthy had I renowned his three-volume version of 3 times maximum Hermes. Having performed a thesis at the historical Thrice-Greatest Hermes; Studies in Hellenistic Theosophy and Gnosis past of scholarly opinion concerning the nature and origins of 'gnosticism', those books have been essentially extra to my barren region than his. i would most likely even learn the things! Michael, sometimes awakening from his dogmatic slumbers, spotted this, my realization and actual desire, and after many years, he being a sort and compassionate psychotic, provided me the set as a gift, obliging me, of course, to learn it instantly upon go back from a trip to his library/home in California. This was once performed basically on the previous Panini Panini Cafe on Sheridan highway and Pratt in Chicago's East Rogers Park neighborhood. Again, like in my overview of his translation of the Pistis Sophia, I compromise among a excessive rating for Mead's early efforts in bringing those fabrics to the general public and a low ranking for those excruciatingly tedious texts themselves.
